NAZI "BOMB" AT REPUBLICAN HQ

Official Publication of the American Nazi Party

THE ROCKWELL REPORT is published monthly by the American Nazi Party at Box 5505, Arlington, Virginia, U.S.A. Single copy, $1.00. One year, mailed first class in plain, unmarked envelope, $10, Air Mail, $11. One month, $1. Clippings welcomed.

#68

"BOMB" AT GOP HQ

Our massive, documented expose of Goldwater in the last ROCKWELL REPORT has had fantastic results.

It burst upon Republican National Headquarters in Washington like an H-bomb, -and it was sufficiently convincing to win us two of the staff!!! Now we have a direct line into everything these people, (most of them utterly sincere) are doing.

The business about Miller and his "Bird-watching" shocked them the most. They called Miller himself and got him out of bed to check our report. Then they did some investigating, --and what they found is ANOTHER BOMB!

Last summer, the GOP learned, two members of Miller's "bird-watching" club, just as we predicted, were ARRESTED IN CONNECTICUTT DURING PROTESTS AGAINST NUCLEAR SUBMARINES!!!!

There IS a connection between Gentile commies and bird-watching, and Miller is the HEAD of it in his area! His eager prosecution of German patriots in Nurnberg, working side-by-side with the Soviets, was all the evidence I needed to place Mr. Miller in the proper political niche with the likes of O. John Rogge, Justice Black, Telford Taylor and other participants in the lynchings at Nurnberg who have shown their red or pink colors unmistakeably since then.

And the choice of this "bird-watcher" by Mr. Goldwater wraps up the case for me.

The GOP National Committee, after they found out the facts and read the Rockwell Report over several times, held an all-night emergency meeting trying to figure what line to take. It was finally decided to ignore the whole thing, since the Jews have had us "blacked out" for many months, now, and few Americans will get a chance to read the ROCKWELL REPORTS.

But I have smashed the Jew "quarantine" all to bits, with THREE national publications now begging me for articles in competition with each other for circulation. (Believe it or not, they are actually PAYING me to blast them! Love of money as usual, will be the downfall of the money-changers!)

We will soon be all over the national newsstands in THREE national publications, and I have seen to it that the bird-watching bit becomes national news.

Meanwhile, Goldwater, precisely as we expected and predicted, is "campaigning" in a manner positively guaranteeing he can't get elected.

In Appalachia, he attacked the "anti-poverty" bill and came on strong for "every-man-for-himself". In St. Petersburg, Florida, full of retired old folks, he blasted care for the aged. In Tennessee, he blasted popular, cheap-power TVA. And everywhere he is ducking his ONE big opportunity, the RACE question, the "white back-lash"!

Try to get SOME sleep, tonight, you boys and girls over there at National GOP HQ. And better keep an eye on each other. TWO of you are SPIES! Nighty-night!

GOLDFINK THE "CHRISTIAN"

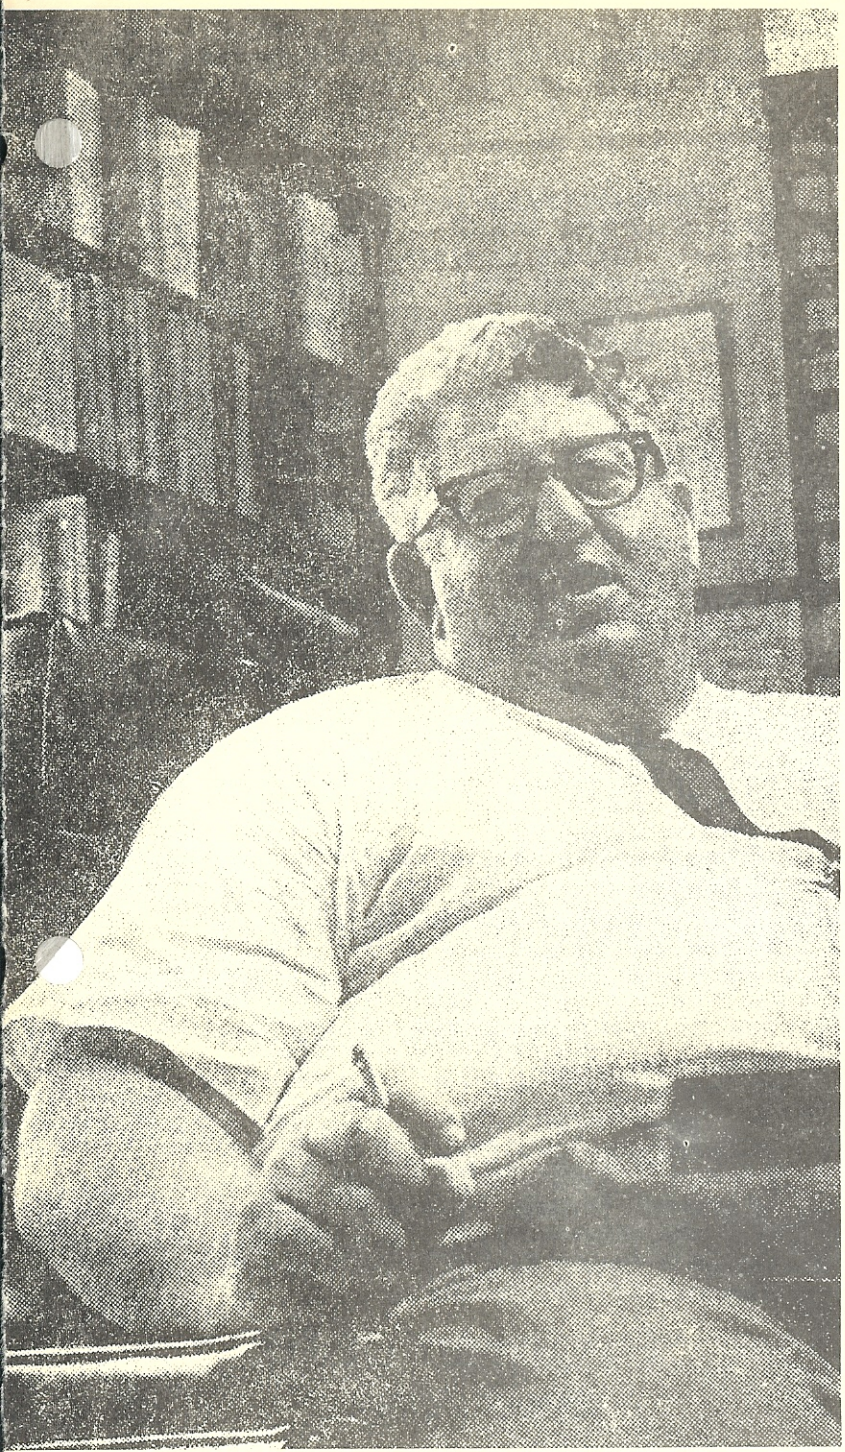
Herewith we print a picture of "Bert Fireman".

We got this charming photograph from one of our National Socialist comrades in Britain, who sent it in to the Stormtrooper as his entry to the "Most Horrid Hebe" Contest.

Mr. Fireman is writing the latest official biography of Barry Morris Goldfink.

The London Times reveals that Mr. Fireman "was raised in the liberal, Democratic tradition". Yes. We have little doubt of THAT! One look at that barrell of Jew fat and guts is enough to know what kind of politics he favors. But just WHY is Mr. Fireman chosen by Barry to write the latest official biography? Hmmmm?

Incidentally, we wonder how Mrs. Elizabeth Dilling explains her opposition (in which we join) to Mr. Goldfink. Mrs. Dilling is bitterly opposed to the idea that Jews are anything other than a phony religious cult. We bitterly oppose this notion because, as Hitler so aptly put it, this idea permits any hook-nosed Yiddisher to join our side by having a few drops of water sprinkled on his black, Jewish curls. The "Pharasee" Jews are indeed the vile enemy Mrs. Dilling has so



THE HISTORIAN: Bert Fireman, expert on Arizona history and official biographer of Goldwater. The book will be called "Always the Best," the traditional slogan of the Goldwater store. If Goldwater wins the book will be published in a short, popular version. If he loses it will be a long limited edition for the family. Fireman was raised in the liberal Democratic tradition but "all of us get a little more conservative as we grow older." Is now a Republican, says he will vote Goldwater.

brilliantly and dilligently exposed. But they are also a mongrel RACE, or scrub BREED. Unless we recognize this, we can be easily stopped dead in our efforts to combat this gang with a few drops of holy water and words of "confession" from the ugly Jew lips.

Goldfink is an "Episcopalian" and a fellow "Christian" -like Mrs. Dilling.

This is not attack on Mrs. D. I understand she is STILL blasting me as a faker, but I have nothing but respect for what she has done over the years, and she can no longer hurt me. This is simply a question.

If one claims there is no such thing as the scrub, mongrel BREED of "Jews", then why is Mrs. Dilling opposing friend, "Christian" Barry?

The GREEN-EYED MONSTER

In the past month, we have done an hour show which will be on Canadian National TV sometime in the middle of October. We have been asked to write articles for three national magazines, and PAID for it. We have been invited to speak at universities all over America, starting with University of Michigan Oct. 13, --University of Hawaii the 20th (with all expenses paid, plus an honorarium), and dozens of others. Our publications are booming as never before. We have smashed the Jews and niggers again and again on national newsfronts in spite of the tightest "black-out" the Jews could impose. We have won the support of one of the most famous men in America. We have launched a secret political project far bigger than anything ever attempted and it is SUCCEEDING fabulously.

In short, the Party is booming along as never before, and ahead lies the Governorship of Virginia, with no politician of any stature yet in the field, and a beautiful opportunity to WIN!

All this good news and success was bound to produce the inevitable reaction, -and it did!

Other right-wing leaders, instead of being overjoyed that SOMEBODY is making some progress against Jew domination of America, have, in some cases, gone wild with crazy jealousy.

That is the ONLY explanation I can give for the recent activities of Ed Fields of the NSRP. I have not attacked him. When he was under indict-

ment a few months ago, I offered to help him and he asked me to stay out of it. I did. He wrote me a grateful letter.

But as we have begun to spurt ahead politically, financially and professionally, -Fields has suddenly gone berserk. From all over the nation I have been receiving letters and photostats of letters sent by Fields to MY friends and supporters.

His Own Words!

Here are some sample paragraphs from these despicable letters:

"Rockwell has also used blackmail on his finacial supporters. If you give money to Rockwell and then decide to stop, you will soon receive a letter stating that unless you again give, your last letter or a photostat of your last check will be turned over to Drew Pearson (or later the ADL)"

Another: "YOU HAVE BEEN ROBBED OF $6,600.00 BY LINCOLN ROCKWELL!" ...."You could have him prosecuted for cheating and swindling!"...."You should take immediate legal action to have your money returned", etc.

More: "Ratwell is never in jail..but he lets his men rot in jail and won't put up five cents to get them out"

Still more: "When Ratwell came into Court, (he had) a 3 days growth of beard and he looked as if he had been sleeping for weeks in his clothes"...."When he (a friend) entered Rockwell's office, he found trash, litter and garbage lying around that had not been carried out in weeks. THE ENTIRE PLACE STANK!"

And more: "..these problems could be solved if Rockwell could be replaced as head of the ANP by somebody with a cooler head, like Matt Koehl, for instance." Rockwell will never be able to "rise out of the stink and filth" which makes him a "subhuman degenerate".

Yet more: "Rockwell has gone through 3 women and 8 children and deserted them all" "He 'rented out' Barbara Von Goetz to Drew Pearson to spy on the NSRP." .."Rockwell will stab anyone in the back if he thinks it will in some perverted way boost his notorious reputation." etc, etc.

And a few final bits which show character: (in a letter to another NSRP member before a convention, Fields wrote: "REMEMBER THERE WILL BE SOME WEAK CONSERVATIVES AT THIS MEETING, AND IT IS POSSIBLE FOR THEM TO TAKE THE ENTIRE THING OVER UNLESS ALL MY FRIENDS ARE THERE!...Mrs. Bishop.. will be there with the many members she has signed up.....I feel that I alone know what is is good for the Party!"......"There is a lot of money to be made in this business....".

There are bales of this sort of thing in our files, and Fields' former top aides, Dutton and Thornton, who are now leading the American States Rights Party can be subpoenaed to tell the whole disgusting story of what they call the "Fields Publishing Society".

I still would not have acted, had not one courageous recipient of one of these crazy hate-letters of Fields ASKED me to "put him out of business".

I will be taking Fields sworn deposition, making him answer questions under oath, as I am willing to do myself, and I don't believe he can survive this Court action. If he tells the truth, his supporters will be disgusted. If he refuses to answer, he will forfiet an enormous sum sued for. And if he lies, he will go to jail for perjury.

A lot of dirty linen will be hung out for the enjoyment of the Jews, including some of mine. And I regret fighting my own side, when the enemy needs all our attention. But no man can tolerate being called a "robber" a "swindler" a "deserter of women and children" and all the rest forever no matter how patriotic the man who keeps putting out such awful, hateful LIES.

I have already written letters to the good folks like Ned Dupes and Mrs. Bishop, whose names have been dragged into this by the dozens of libelous letters Fields has been writing with their names on the stationery. I am sure they will resign in disgust when they find out what he has been writing under their names, -and I have no quarrel with them. My quarrel is with only ONE man, Edward Fields, and it will not be settled in the ROCKWELL REPORT or the Thunderbolt, --but in COURT.

Professional Jealousy

Fields, however, is not the only one to react to our growing success with insane jealousy.

Over the years I have been forced to expell many people from the Party for good cause, and others have simply failed to make the grade. Recently, I had a knock-down-drag-out bout with a group of heavy drinkers. I will not tolerate PROBLEM drinkers, although I have nothing against a drink now and then. I myself have not touched a drop of liquor for more than three years, and never will, but I can understand any two-fisted fighting man who enjoys a session of beer and

innocent "hell-raising". But I have learned the hard way that what we are doing is far too dangerous a "game" to permit drunkards to "play".

More than once, the Party has come close to final catastrophe because some trusted man got loaded at a critical moment. I now require ALL party officers to take the non-drinking oath and to keep it sacred as I do myself.

This has caused five or six otherwise good men to bust out of the Party, and has made one or two of them extremely bitter. I will not mention names, at least not yet.

But these men have banded together from all over the Country and are attacking me in every way they know how. And, since they were once top officers, they sure know how. They send me phony telegrams and make fake "emergency" phone calls. Here's one of their fake telegrams, --a complete fraud:

I write all of this sadly and in spite of the fact that I would prefer to ignore the attacks. But there are always people who claim that failure to answer any attack, no matter how vile and low, "proves" that the charges are true.

Therefore, I will suggest that Mr. Kujac, who sent his attack to newspapers and columnists in addition to my friends and supporters, come to Arlington where I can sue him without running all over the Country. I have suits already in Amarillo, Philadelphia and Birmingham, and can't do any more running to answer all the liars. But if Mr. Kujac thinks he can prove any of his charges, (which he got by hearsay from the "let's-ruin-Rockwell" gang) let him come HERE and make them, and he will see how quickly his lying informants run for the hills when threatened with a Court. None of them have much cash, but I can garnishee their wages, and will do so as a lesson

THE COMPANY WILL APPRECIATE SUGGESTIONS FROM ITS PATRONS CONCERNING ITS SERVICE

They have also managed to reach some easily influenced members and talk them into denouncing me and my officers, often so viciously that any reply by me would only hurt more. Earl Kujac, of Chicago, was recently used in precisely this manner, --and has done the same thing before, only to apologize later.

to others who spend more of their time trying to hurt me and our Party than the worst enemies all of us have ever had.

I will say no more of these ugly matters in this publication, and apologize for what I have had to write above. I had no choice. Whatever else I have to say will be said in Court, under oath.

Send A Coon To College

The Christian Crusade in its September issue, reveals just why Mr. Hoggis and Mr. Welch are going NOWHERE, faster and faster. I had a chat with Herr Hoggis last year in Tulsa, and found him charming, intelligent, forceful, patriotic--and scared to DEATH of the Jews! He promised to retract the vicious smear he printed about me in San Diego (cooked up by the "ex"-Communist, Matt Cvetic), but, to date, I have seen no action. I promised not to attack him again, and have honored that promise until I saw this latest evidence of either insanity or treason and it is obvious the rotund "crusader" has no intention of retracting his lies.

Believe it or not, Hoggis and Welch have gotten together to spend good, White, Christian folk's money--YOUR money--to send NIGGERS TO COLLEGE! Herewith we print the actual article phtographically, from the Crusader. Think of it! With the Jews and Reds POURING money out to send coons to college, Welch and Hoggis are taking the tiny funds available to patriots to send MORE coons into our colleges, while WHITE KIDS GO WITHOUT!

Damn it! I cannot help being perhaps in bad taste, in cursing, but this is TOO DAMNED MUCH! To think that such idiots or traitors get millions of dollars to piddle away like this, while my brave kids are in JAIL, right now, for fighting Jew traitors, niggers and Red scum--without funds! I repeat, damn these miserable cowards and sneaks calling themselves "Christians" who send niggers to college while millions of White, Christian kids NEED that help!

Perhaps the answer to "why?" Hoggis, Welch, & Co. do this kind of rotten thing is revealed in something else Hoggis boasts about in the same magazine. Seems one of their top lecturers for the "Christian" (ha!) Crusade is "SAMUEL BLUMENTHAL! They have a picture of this charming hebe right next to Robert Welch, most appropriately.

Gerald Smith is whooping it up for a Jew for president (Goldwater); Hoggis and Welch are paying Christian money to send a Jew around the country lecturing (with General Walker assisting); and now they are taking White Christian nickles and dimes to send MORE COONS TO OUR COLLEGES!

And THESE people call me a "plant"!!!

How the Chosen Ones must laugh at us!

We deserve it! ➡

GOLDWATER SMASHING SOUTHERN DEMOCRATIC MACHINES

Traditional "Democratic" politicians in the White, Christian areas of the South are bemoaning the irrational stampede of their good people to Goldwater.

"Eight of of ten 'switchers' (to Goldwater) believe that Goldwater is a segregationist", a good, White, Christian Democratic leader in Emporia, Virginia, declared on the front page of the Washington Post (27 Sept.). "I tell them it isn't true, I say that if he's elected, he'll do MORE for the Negro because he knows they're against him, but not many people will believe it."

Here is another deadly illustration of WHY Ike Eisenhower is so palsy-walsy with a man supposed to be the "new Fascist threat"--WHY Goldwater was allowed to "win" the Republican nomination.

Goldwater's phony "racism" is WRECKING the Southern Democratic Machine which, ALONE, has stood athwart the paths of the Red race-mixers and Zionists, etc., for forty years.

The enemy roundly and rightly hates the "Democrats" who have been blocking their Marxist-Socialist progress in the Congress and in the South. To progress, they MUST wreck this machine. And, by getting millions of honest but unthinking Americans running after Goldwater, they are forcing thousands of Southern Democrats (like poor, foolish Thurmond) to become "Republicans"--thus losing all the enormous seniority of the Southerners in the Congress and wrecking the centuries-old "Demo-

BIRCH SCHOLARSHIP

The formation of the Manning Johnson Scholarship Fund and Committee, to provide an annual scholarship award of one thousand dollars for a deserving Negro student, boy or girl, to assist in their college training, has been announced by John H. Rousselot, former Congressman, and now Public Relations Director for the John Birch Society, who will sponsor the scholarship.

cratic" machines in the South--the machines which are the last bulwark of White, Christian power in America.

Once the machines are turned "Republican", as they are being turned, Goldwater's betrayal will smash the silly little new-born "Republican" machines--and the Jews, Negroes and REDS will have us all in the palms of their hairy hands.

There's not a prayer in the world the poor boobs who are chasing after Goldwater's Jewish shirt-tail will understand this.

Even when this villain is "swamped", as he will be in November, the Jew-led kosher conservatives will yowl a million reasons and excuses, and dig in even harder for 1968--when they will win no matter what they do.

Human stupidity and weakness are so enormous that it is often hard to give much of a damn about what happens.

Brave Boggies

The coons in Africa have a neat system worked out to be "heroes".

When the Congo chiefs get ready to have a "bloody uprising", they want to win, but they don't want it to be any of their blood which gets spread around the African scenery. And they are anxious to march into the enemy town resplendent in their UN-provided $500 Brooks Brothers suits and finery.

Their solution is to hire White "mercenaries" to do the real fighting for them. These costly luxuries, however, are expensive, and the chiefs can't afford to use them up too freely, as they can their own, valuable, colored subjects.

So the first "wave" of a Congo rebellion consists of mobs of the local nigger talent chucking spears and rocks and elephant turds, etc.

After this has softened up the enemy, the mercenaries move in with their automatic weapons and do the real blood-letting.

After the field is taken, then the jigaboo "dignitary" is supposed to enter the enemy capital in "triumph", while the mercenaries step to the rear.

The Washington Post for Sept. 27 contains the report that quite often, in these arranged blood-lettings, the mercenaries are forced to march in triumph into the deserted enemy capital alone, because the nigger dignitaries have become confused during the combat phase of the operation and have inadvertantly marched rapidly to the REAR--so far rear, in fact, that runners have to be sent to hunt them up for the victorious entry march.

While buying tickets at Pan American offices in D. C. for an overseas speaking engagement last week, I was appalled at the steady stream of fantastically ugly, coal-black coon "diplomats" in there getting the best service and attention from top U.S. State Department "aides"--always White, of course. The arrogant jigs, utterly resplendent and almost glowing in the very FINEST silk suits and hundred-dollar shoes, etc., are touring the whole EARTH by the thousands all on YOUR tax money, for the benefit of world Communism!

Catholics & Coons

In a forthcoming Rockwell Report I shall be showing that we are not only not "anti-Catholic", as the Jews like to claim, but that we recognize that wherever Communism has been beaten it has been beaten ONLY because of cooperation of the Catholic Church, as in Germany, Spain and Italy. We shall present the documents establishing this FACT.

But vile parasites and usurpers have crawled into the body of the Catholic Church and taken it over until it is becoming the very opposite of what its founders intended, just as with our American Constitutional Republic.

We respect and admire the old-fashioned type Catholic, like Leander Perez and Joe McCarthy.

But we are not afraid to attack Catholic rats any more than we are to attack any other kind of rats.

And when those rats are in high place and need attacking, we shall not shrink from the task.

In fact, I truly believe the Catholic Church is heading once again for a gigantic schism such as it suffered in the days of Luther, when it became corrupt.

Rome is now financed by the Rothschilds of France, and John and Paul have been increasingly showing the effects of JEW domination. In attacking some of the things the Church is doing, I am not attacking the Church, but men who, in my belief, betrayed it.

Just last week, Rome made SAINTS out of 22 niggers--no Whites!

Not only that, but these nigger "saints" were savage Uganda tribesmen--just short of cannibals, if they were not, indeed, cannibals.

Meanwhile, they are getting ready, under tremendous pressure, to declare that the Jews were innocent "victims", as usual, of us dirty Christian liars, in the matter of Jesus Christ's death. The plain words of the Bible are to be tossed in the ash can, on the demand of a gang of the same kind of Jew terrorists who DID have Jesus crucified.

In the next Stormtrooper we will have a smashing little piece which will show which way the wind is blowing in our world today. Christ took a "scourge" a WHIP, and went into a Jew synagogue and BEAT the Jew traders and liars out into the street, smashed up their synagogue equipment. Think of a synagogue near you. What would happen if YOU--yes, YOU--took a whip and dashed in there and started beating on the assembled kikes?!

Even the "patriots" of our times would all denounce you. You would be sent to prison or the mad house as a raving "hate" monster, etc., etc. Buckley, Welch, Hargis and the whole "conservative" gang would throw up their hands in horror at such "hoodlum" tactics.

Yet the Lord did EXACTLY that. And He advised us to follow him.

We are.

The Pope is not. Neither is Buckley, Welch, Hargis nor any of the other pious fakers.

They are all telling you that what Jesus Christ did was WRONG--that it was "hate" and "hoodlumism".

We say He was right! Let our saints be WHITE CHRISTIANS!--not cannibals or Jews.

Now let them make an anti-Catholic statement out of this!

JEWISH HISTORY OF THE U.S.A.

For years I have been begging the poor, persecuted Hebrews to stand up to me before an audience of Americans and PROVE, by facts, that we are liars and hate-mongers, as they moan so eternally and so successfully.

They have never done so, of course, since the result would be a whole audience of dirty "hate-mongers", "Nazis" and "persecutors" after the debate between the Jew and me.

But with the growing doubt about the six million gassed Jews spreading all over the world, we have at last ferretted out a Hebrew willing to make a stand for the Chosen Ones: Isadore Israel Sheisskopf.

In the interest of absolute fairness we have decided to print the fulminations of Mr. Sheisskopf and let our readers enjoy the effulgent glory of his rat-like Jew "mind".

Mr. Sheisskopf's article follows:

It is no wonder many people don't love us nice Jews. We are more clever than anybody else and have all the money. But, even more important, everybody lies about us. Absolutely everybody. Positively. Everybody!

Like Christian kids are always hearing, in school and church and at home, how all the heroes who built America were Goy cats like Washington, Lincoln, Lee, etc.--but they are being LIED TO! Such lies!

The history books have been twisted and filled with lies and HATE--yes, HATE against the Jewish and Negro people. Actually, most history books were written by Klansmen and Nazis.

That is why millions of little American kids still believe it was Columbus who discovered America.

Actually, actually it was a Jewish boy named Chesowitz GOLUMPUS who did the discovering job on America. Then the dirty Christian hate-people went to work and changed Chesowitz to "Christopher" (Oy! That name!) and Golumpus, to "Columbus".

Even before that, kids are told that it was "Eric the Red", a so-called, self-styled "Viking" who came to America first.

Well, it was a "red" all right, who got here first, but the right name was AARON the Red, the first of a long line of Jewish boys over here from the Communist Party, AARON THE RED. Aaron took the Fifth Amendment when he went back and they asked him about discovering America, so the Norwegian Committee on Un-Norwegian Activities decreed forever thenceforeard, the credit for sailing to America would go to a Christian dog named "ERIC" the Red. Hell, Eric wasn't even in the Socialist Party, let alone a Red.

The Pacific Ocean was discovered by two daring colored explorers, Amos Pierre and Andy Marquette, who suffered greatly from being "underdeveloped" in Africa and, with typical Negro initiative and energy, set forth in one of their new, Negro inventions called "steam-boat", to discover some backward White trash and civilize them.

Then a boat load of brave men and women landed at Plymouth, and all the credit goes to a Goy they claim was named "Captain John Smith".

SMITH! Oy! Such a lie! Such a BIG LIE!

Smith, Schmith!

The man who did it was actually another person of the Jewish faith name of John SCHIFF. His helpers were John Altman and Priscilla Weinstien. Almost all the Pilgrims were wonderful Jewish people --the Cohens, Finklesteins and Rabinowitzes. Rabbi Cotton Mohel was the religious leader at Plymouth.

The lazy, greedy, dirty CHRISTIANS never made it over to America in those rugged days. The Christians were still over in Europe doing great with the MONEY, getting rich. The Christians let the Jewish boys do all the pioneering in America, and now they come along, johnny-come-latelies, and write history books making it look the other way around!

Meanwhile, down the Coast, a group of pious Hebrews called the Cavaliers were making it big in Georgia, Maryland, the Carolinas and Virginia. There was Governor Berkowitz (usually misrepresented by the Christian liars as "Berkely") and other famous legislators and leaders, all Jewish.

In the middle Atlantic states, another famous Jewish explorer named Heinie Hudstein was discovering the Hudstein River, now changed to "Hudson" by the Christian fakers and liars, who are bursting with hate that one of OUR boys found it first, while these Gentile profiteers were still living soft and rich in Europe.

William Pinsky was organizing Pinskylvania at great risk of life and limb among the wild Indians. But this, too, has been falsified by the Christians who want to make it look like they did all the work and fighting, into "PENN-sylvania", instead of PINSKYLvania, after the great Jewish colonist, William Pinsky.

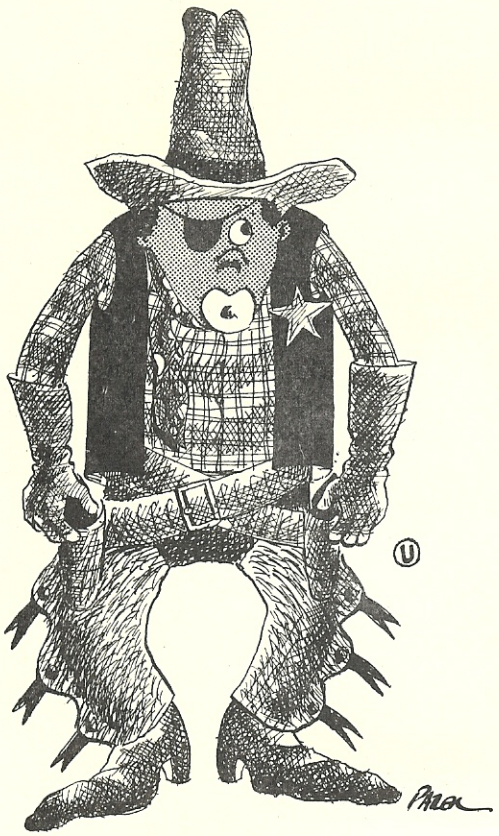
Manhattan was set up by a daring group of kosher merchants under the dashing Jewish hero, Peter Stuyvenberg. No need to go into detail. You know what happened. The Goy exploiters come along--bang!--Stuyvenberg becomes "Stuyvesant" --another Goy faker! Now these Christians are trying to move in on Manhattan and take over what WE built. Already, the Christian sneaks have more than ten or twenty per cent Christians infiltrated onto Manhattan, and threaten to RUN the place.

A darker chapter in Jewish history was being written on the high seas, however, by dashing, swashbuckling Jewish pirates, particularly Captain Katz and Jew-beard the Pirate. These devil-may-care kosher buccaneers sailed up and down the Yiddish Main (later changed to "Spanish Main" by Christian historical liars), spreading fear and terror among the cowardly Goy and Christian swine.

Jewish explorers and Indian fighters were on the move everywhere. There was the famous Levy and Clark Expedition (Clark changed his name from Cohen), ably assisted by Daniel Coon, a rip-roaring, fighting Negro, who has been transformed by hate-mongers into a WHITE man named BOONE!

Later, a great Jewish leader name of George Washenstein organized a revolution and won freedom for America. In this enterprise, he was aided by a great nobleman from Israel, Marquis de Lafienstein.

While Washenstein was fighting heroically on land, Admiral Hambone Rastus Jones (rottenly twisted to "John Paul Jones" by the Christian liars) was fighting desperately at sea, leading a chapter of the NAACP and ten garbage-barges of CORE members in bloody and magnificent fighting, while the cowardly White men hid back in the harbor.



After the Revolution, the Young America set about conquering the savage Indian. While the Jews were taming the wild Indians and opening up the frontier, the Gentiles were all loafing back East making money and writing false history. You hear a lot about the brave cowboys, but they don't ever tell the kids the REAL names of these American pioneers. The cowardly Christians moved in behind the blazing guns of dozens of heroic Jews such as The Kosher Kid, Buffaloe Bernstein, Doc Horowitz, Marshal Wyatt Cohen, Galloping Greenberg, Wyatt Weinsteind, John Wesley Hamberger, Hopalong Kantrowitz, Fighting Feinstein, Grizzley Ginsberg and hundreds of other self-sacrificing, death-defying Jews who built America.

Shoulder to shoulder with these heroic, fighting Jews, were the great Negro leaders, Rastus the Exterminator, One-eye Davis, Jr., Hellfire Hambone and many another courageous, black pioneer and gun-fighter. Whenever one of these heroic Negroes would swagger into a Western town in the 1800's, all the White scum used to scramble under the porches and run for the hills.

Down in Texas, old "Texas Sam" Hustein and the immortal colored Indian fighter, Danny Coon, held off the Mexicans at the Alamo. The only yellow coward at the Alamo who crossed the line in the sand and sneaked out is supposed to be a nice Jewish boy called "Rose". The dirty Christians in Texas even make jokes about this Rose and call him the "Yellow Rose of Texas". Well, there is no doubt he was YELLOW all right--but his name was NOT "Rose", but "ROCKWELL"--an early ancestor of George Lincoln Rockwell, another example of Christian distortion and lies.

Now the same Goy and Christian liars are pretending that CHRISTIANS discovered and built America and ought to run it! Imagine! Not only that, but some of these hatemongers are claiming that six million of our people were NOT gassed by Hitler. Actually, confidentially, I'm telling you--to my own mother I couldn't be more truthful--it was a lot more than six million, a LOT more! In fact, it was six HUNDRED million Jews Hitler gassed. Many of them were gassed two, three or four times. I myself was gassed twice, and my father and mother bashed the brains out and then gassed twice. Both of them are now physical wrecks living in the Bronx --can't even count their money or anything--all from that awful Hitler!

It is time these truths were told! Join the B'nai B'rith or the Communist Party and help spread the TRUTH!

HOPEFUL NEW PARTY

While I was in Birmingham, Alabama, I had an opportunity to visit with Jim McDaniel, Jim Thornton and Jerry Dutton of the new American States Rights Party.

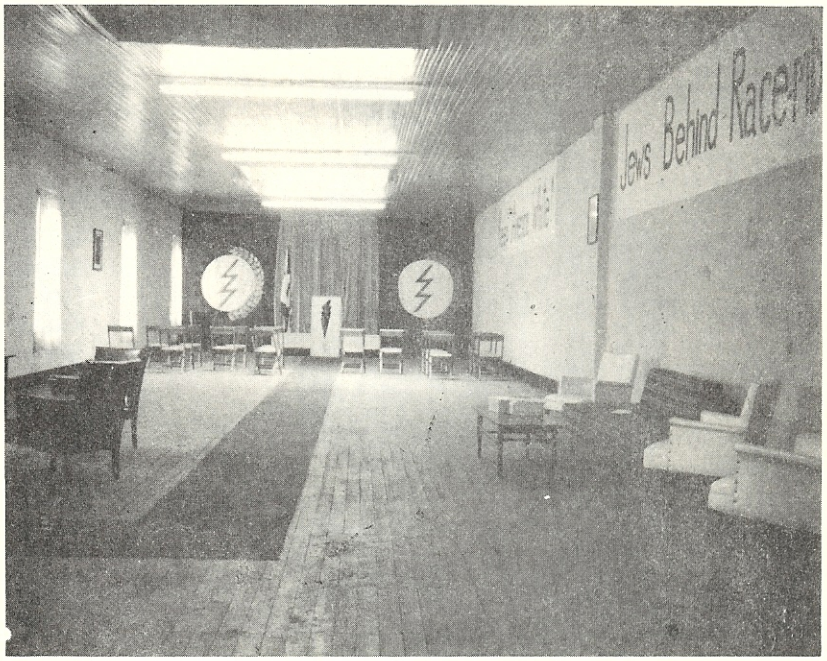
They do not go along with our "Nazi" approach and I do not go along with their "state's rights" camouflage of what needs to be open RACISM and Nazism.

Nevertheless, they are on OUR side and doing tremendous good organizing OUR kind of White, Christian people. McDaniel, the Chairman, is a steel-worker and the kind of fighting White Man who will save America if it can be saved. Dutton is already well-known because he

was, for a long time, the only real "street-man" in the old NSRP, -he was jailed again and again for his heroic and open opposition to the Jews and niggers and their rioting. Thornton is a brilliant young man from California who recently came to Birmingham to help Fields, after James Warner became an open "Odinist", spoiling the fake NSRP image of him as the Christian "Reverend" Warner, and Warner left for New York.

none of the ugly and stupid little-boy jealousy of so many leaders now.

I have never had any trouble with FIGHTING White Men. The squabbles always start with the milkers of the movement who resent any other organization because it might cut in on their "take", and attempt to destroy the "competing" organization with lies and contumely. None of



These three young men have recognized the utter commercialism of Fields and his "NSRP", (they call it the "E. R. FIELDS PUBLISHING COMPANY") and have organized a FIGHTING White Man's Party, the American States Rights Party. I was amazed and pleased to see the tremendous progress they have already made!

Here's a picture of their enormous meeting hall in Ensley, where they regularly turn out hundreds of White Christians in mass rallies. I learned that it was Dutton and McDaniels who actually organized all the previous rallies for the old NSRP, and they have carried vast numbers of fighting young men with them into the ASRP.

I was deeply moved to find these young men willing and eager to COOPERATE with another White Man's movement, as these boys are to stand shoulder to shoulder with us, regardless of tactical differences of belief. We are moving toward the day when White Men willpresent a UNITED FRONT to the Jews and niggers, with the three heads of the new ASRP are out for money or a big publishing company. They want to FIGHT, as we do, no matter what it costs us.

I have no hesitation whatsoever in advising any of our people to work in harmony with the ASRP, (P. O. Box 8399 Ensley Station, Birmingham, Alabama). And I earnestly urge those who are sick and tired of the bickering of Fields to join the ASRP, where there will be harmony and cooperation between WHITE, CHRISTIANS, not jealousy and hatred.

Sir Finkelstein

The family of the British Prime Minister, Sir Alec Douglas-Home, has just adopted a little NIGGER!

Few people know it, but Princess Margret recently married a JEW! The Jew papers like

to busted their buttons boasting that Anthony Armstrong-Jones was half Hebe.

So now the family of the Queen, the Royal Family of England, descended from King Arthur, Canute and William the Conqueror, --includes NIGGERS AND JEWS!

Meanwhile, DOZENS of Jews in England have been "knighted" and are addressed now as "Sir"!

"Sir Lipshits"! "Sir Finklestein"! IMAGINE!

We have little to laugh about, however.

Most of our good, White, Christian "right-wingers" are backing a JEW for PRESIDENT of the United States! I know a few rightists who would have dropped dead if a fortune teller had ever told them they would come to this pass.

Now they are ready to drop dead with shock and hatred if you dare suggest there might, just possibly, be something a little fishy about a JEW President of the USA.

Truly, I believe that if the Jews wanted to build up the blackest NIGGER in the USA as a reactionary "conservative" who would repeal the income tax and save rich people's money, they would campaign all out for a NIGGER President!

Do-It-Yourself Suicide

Ironically, the United Nations has just provided the ammunition for the death-blow to the insane "humanitarianism" which has had White Men all over the world working like dogs to pay huge taxes to breed millions and BILLIONS more black animals incapable of creating even their own food and shelter.

Latest statistics show that in spite of the amazing increases in food productivity of the agricultural sciences, the "population explosion" is becoming so monstrous that all our "sharing" with the coons of the world has been for nothing; no matter how much food and aid we ship them, it only helps them to BREED MORE COONS by geometric progression, -like a chain letter.

We send them doctors to keep them alive, food to sustain them, weapons to fight us, and the result will soon be a raging, starving army of BILLIONS OF BLACKS out to seize OUR land, OUR food and OUR civilization.

This result is only a little bit off, now, and all the "humanitarianism" of the fat-head liberals and the misled "Christians" will vanish in a few weeks when these idiots finally SEE what their nigger-breeding efforts have done to THEM and THEIRS.

Meanwhile, the Red Chinese, the world leaders of this black uprising and mutiny, are about to obtain atomic weapons. I predict that when they do, when they are able to DELIVER them, the White Men in Russia will be as horrified as we are and we will all be driven together in a fight for survival against Billions of Yellow and Black Men armed with the H-Bomb!

God help us then!

You-Can't-Win Dept.

In this morning's mail is another one of the discouraging and disheartening reports I have come to expect from a certain kind of Patriot.

This one writes to one of my friends that I have been "writing for the ADL as late as 1961"!!!!

After hearing a tape of my brutal indictment of the Jews at the University of Washington, the same Patriot writes, "Rockwell has kind things to say about the Zionists", --with the inevitable conclusion that I am "working for the Jews"!!!

I know these people are SINCERE, which makes it all the sadder. They are pure idealists, --and that is precisely the reason they do not and will NEVER understand REAL politics, --politics to SUCCEED!

When I speak at a college, as I do all the time, I speak under fantastic handicaps. First, there are always hundreds of students there with the sole purpose of breaking up my speech any way they can, including violence, booing, hissing and general hell-raising. To HOLD that audience and finish my speech at all is a herculean task all by itself. You cannot permit ONE SECOND of boredom or lack of blazing will give them the tiny opening they seek. I must keep up a burning interest in the group as a whole which is so strong it overpowers those who seek to disrupt proceedings. Not for a moment can I go into any dry, statistical or religious dissertation which would lose the iron grip I have seized on the audience from the instant I step up to the podium. If some of these extremely religious people, who always claim I am "working for the Jews" tried to give THEIR idea of a speech to these wild kids, -the kind who put on the Frisco riots, -they would be physically run out of the hall.

Secondly, I am racing against TIME. Usually I am alotted no more than HALF AN HOUR in which to try to change minds frozen by a lifetime of Jew-liberal-nigger-loving brainwashing. It is literally a "magic-trick" to even be allowed to finish one's speech when one tells ANY facts about niggers, Jews and liberals.

Under these circumstances, if I were to permit myself to be dragged into an area which requires YEARS of study and understanding, I will be whipped in an instant. A perfect example is the RELIGIOUS angle of Jews and their "religion".

How long did it take YOU to reach a deep understaning of the Jewish problem and particularly "Pharasee-ism". It took Elizabeth Dilling, the most expert I know, YEARS of study. If I were to attempt to even EXPRESS the facts in THIS matter to such an audience it would simply be far, far beyond belief and understanding, and they would LAUGH me out of the hall. That would be no gain for our Cause.

My aim can only be to plant a TINY SEED of DOUBT in these frozen minds, seeds which can be watered by further investigation and knowledge until they grow into mature understanding. That is how most of US learned, and it is the only way these poor, misguided, brainwashed kids can learn. When they point out "Jesus was a Jew", I do not argue, but let it go that he was a "good Jew", as heretical as that may sound to those who know the facts.

Any attempt to go into THAT question would produce pandemonium and riot in the hall, and I would have won nothing at all. My aim is to prove to these mixed-up kids that I am REASONABLE, and that I have SOME facts which they have been denied by the mind-manipulators.

I Do This Successfully Every Time

Once the kids have digested the simple, little fact that I am NOT a 'monster" as the Jews have painted me, and that I have told them some believable and startling TRUTH they never heard of, they begin to DOUBT EVERYTHING pumped into their heads by the Hebes. From there, if they are intelligent, they themselves will SEARCH for the truth, just as you and I once had to do. That;s where these Patriots who keep blasting me come in. I can get the kids STARTED, and I am SUCCEEDING at it. After that, it is up to the next level, the folks who keep blasting me.

I urge those who constantly find fault with this or that detail in my speeches at the colleges consider this ENORMOUS fact: who ELSE is speaking about the Jew and nigger problem to these kids, ---at ALL? WHO? Not a SOUL!!! My methods have gotten me invited to dozens of colleges and they are POURING in. My methods WORK. What can be gained by insisting on this or that doctrinaire detail, and then NEVER GETTING HEARD BY ANYBODY?

Asfor this bit that I "write for the Jews", there is not ONE person, anywhere, who will write that and sign his name to it so I can sue in the courts, because it is a big, dirty, ugly LIE. If these people were so sure of this filthy lie, they would not hesitate to put their names to it, but they never, never do. It is always an attack more becoming to our Jewish enemies, --from the dark, -hateful, bitter, false and cowardly.

For more than SIX YEARS, now, I have sufferred terribly to stand up to these Jew terrorists in the STREETS, in the JAILS, in their INSANE ASYLUM, -and in POVERTY. Those who so freely lie that I am "working for the Jews" are invariably safe at HOME, usually with their family (which I lost in the fight), and usually with some kind of regular income. I have none of these things except a good conscience, which these people cannot possibly have.

Strangest of all, those who keep spreading this viciously unfair and un-Christian LIE are usually the ones who style themselves the strongest kind of "CHRISTIANS".

Christ DID as I am doing, He took a WHIP and BEAT the Jews out of the synagogue, for which He was crucified. Let those who sit at home writing of their Christianity ask themselves why they are not DOING as HE did, and as I try my best to do, instead of attacking those who do what they can.

Christ not once in His life attacked from ambush, from the dark. He got out there where the enemy could SEE Him, and STONE Him, --and finally CRUCIFY Him. He never once claimed he was not God's Son, but only for "God's Rights", etc, as so many of our people today try to HIDE their truth in pretty words "for fear of the Jews".

The HELL with the Jews!

Let us ALL get out there and attack EVIL without disguise or fear! Let's quit nit-picking at each other and FIGHT! I am doing the best I know how, even though I will admit I have made some mistakes. How about those who keep preaching I am working for the Jews coming out into the open with it, --or cutting out the backstabbing?

Zionist-Capitalist Take-over

There is one single project which could do more to smash the Jewish red-race-mixing-Zionist power in America than any thing else we could do, -and it is relatively easy to do. But I lack the personell and financial strength to do it here.

This little piece is to suggest the possibility of the project to some reader who may do it himself or get someone else who can do it.

Frank Britton used to do a great job of documenting the Jewish INVASION of America, showing how the Jews were using Jewish, Speculative Capitalism to buy up ownership or control of more and more American businesses. But ever since the Jews "got" him and put him away in San Quentin, there has been little NEW research done on this vital subject. Everybody just keeps copying and printing the same old statistics. But the Jews have moved ahead rapidly with their quiet, BUSINESS takeover, and the current percentage of Jewish control of American business is fantastic. If it were known and provable with FACTS, most Jew-loving Americans would be appalled and disgusted, and willing, at last, to LISTEN.

People who pay no attention to POLITICS, but listen only to ball-games and stock-market reports care nothing about our exposes of Jew communism, Zionism and race-mixing. We have all had the bitterly frustrating experience of showing some business man pages of deadly FACTS, trying to "wake him up", --only to have him refuse even to look, and sneer at us as lunatics for our pains.

But show that same businessman that the Jews are reaching for his MONEY or his PROPERTY, and he will hit the ceiling. That's why people are all niggger-lovers until one moves in and threatens to lower the value of their homes.

The FACTS of the Jewish take-over of America by Zionist Jewish CAPITALISTS are all in any good library, in Standard and Poor's Directory of Directors, plus other business directories. In these books can be found the names of the big stockholders in American business and the names of the Jews who are seizing more and more business control in America every day.

It is not just the amount of business they now control which will shock American sleepy-heads, but the RATE AT WHICH THEY ARE MOVING IN!

If we can ever get anybody to do the RESEARCH and get the facts, year by year, we can print a GRAPH, showing how fast Jews are capturing FINANCIAL and therefor POWER control of America by MONEY MANIPULATION. One look at that graph, BACKED UP BY THE FACTS, and a man who just LOVES Jews will be up in arms, madder'n hell!

Right NOW, just as in Germany forty years ago, 75% of Jew kids, by their own figures, are going to college, while less than 5% of our own kids can get in!! And that's just a tiny HINT of what lies in the libraries, in the statistics.

Will ANYBODY dig out those facts?

Jews Capture The Post

Informed and thoughtful Americans cannot help but have noticed how rapidly the Saturday Evening Post has moved into the literary compost pile of super-Jew, red, race-mixing rags. This great publication, started by Benjamin Franklin now competes with "Look" and The Reporter in pushing race-mixing, radical-leftism and hatred for what the enemy calls us "WASPS", (White, Anglo-Saxon Protestants.)

Only a few short years ago, the Post was the very model of AMERICAN ideals and ideas, with covers by my kinsman, Norman Rockwell which were as American as apple-pie.

Having succeeded in bashing my way into the publishing business with U, S. Lady, (for service wives) about ten years ago, I know something about the business, -and especially how the JEWS get their hands on one American publication after another.

Here's how they do it.

First, Jewish money operators begin to SQUEEZE the magazine's credit sources. No matter how much capital a magazine has, it never has enough LIQUID CASH for all operations, and usually gets bank credit as needed. The Goy magazine finds sudden "difficulty" in getting this liquid credit.

At the same time, the life-source of magazines, the national advertisers, begin to shy away from the target publication of the Jews. Firms with Jewish board members or Jewish owners simply start putting their money in "Look", while

the Gentile target magazine gets none. No fuss is made of this, and it is never identified as a racial boycott, even by the victim. The magazine simply gets thinner and thinner and thinner, -and desperately poorer and poorer.

The less advertising the less credit, --and the less credit, the less advertising. Soon the magazine is headed for the rocks, and there is a "crisis" in the front office.

The soft-hearted Jews then step in and "save" the dying publication, whereupon it immediately turns HARD LEFT. The people still think they are reading an AMERICAN magazine or paper, with the old American name, but it is a Jewish PROPAGANDA ORGAN.

That's precisely what happened to the Post.

It is now owned, unknown to most Americans, by the Hebrew "violinist"and his family, Efram Zimbalist, who control the stock.

It is interesting to note that even such a rabid liberal as Henry Luce, of Time-Life, -is getting the "treatment" with his "Life". For a long while, Life kept getting thinner while Jewish Look kept getting thicker and richer. Henry, somewhat aware of how these lovers of a free press operate, has gone all-out to please the Jews with his ultra-leftism and race-mixing propaganda.

But I notice Jewish (Cowles brothers) Look is still fattening up, while Life stays thin and feeble by comparison. Even a boot-licking shabez-Goy is not enough for the Jews, they want it ALL. And I predict that sooner or later they will GET it. Life will suddenly have a "crisis" and be "rescued" by some nize Yiddish boy with a few billions and a great love of bolshevism and niggers.
